

Licensed Veterinary Technician- (Includes Signing Bonus)

Bush Veterinary Neurology Service is looking for a FULL TIME- LVT, Team Lead (Licensed Veterinary Technician) to join our team in Leesburg, VA! We are seeking an individual who has in depth experience in the veterinary industry and hold a passion for leading a team of LVT's, Assistants and Client Care Representatives. Ideal candidate holds values true to providing excellent service to our clients and patients and believes in the core values of integrity, compassion, quality and innovation.

As our Lead LVT, responsibilities include, but are not limited to overseeing the flow of the day, assisting in administrative duties as needed such as being point of contact for conflict resolution between staff, management of the monthly staff schedule, providing guidance, training and development for the staff.

As an LVT, you would also provide support to the Staff Neurologists, acquiring histories, placing IV and urinary catheters, obtaining radiographs, monitoring anesthesia, assisting in surgery, assisting with advanced imaging (MRI), patient care, and client education/communication.

Required Qualifications, Education and Experience:

- Minimum 3 years of previous experience as a Team Lead or Shift Supervisor.
- Minimum 3 years as a Veterinary Technician, preferably in specialty practice.
- Licensed in the state of Virginia or have an up-to-date license/certification/registration and be able to apply for a license in the state of Virginia.
- Must be willing and able to work flexible hours, as needed.

Preferred Qualifications and Experience:

- 5 or more years' experience as Lead Technician.
- Has proven experience dealing with confidential information.
- Broad knowledge of animal science, medicine, and husbandry, including a basic knowledge of pharmacology and sufficient mathematical skills to ensure the administration of accurate drug and fluid doses.
- Must be knowledgeable of the nervous system and understand how diseases and disorders affect patients to provide high quality of patient care and be a resource for our clients.
- Friendly, poised and have a client focused approach.
- Excellent communication skills both written and verbal
- Able to multi-task in a fast paced environment
- Comfortable working in and having a good understanding of MS Windows and the ability to quickly learn how to use other internal company software systems.
- Must be well organized.
- Able to handle stressful situations and events in a calm supportive manner.

Bush Veterinary Neurology Service provides complete, thorough and compassionate veterinary care for pets with neurologic disease. Our Board-Certified team of Veterinary Neurologists and Operations Staff treat more veterinary neurology cases than anyone in the United States and we are privileged to help thousands of pets and their owners each year.

Our team is committed to providing complete neurology care including the medical and surgical treatment of all small animals suffering from neurologic disease. Helping those in need is our calling and it is our commitment.

We are a busy referral and emergency neurology practice, and candidates should enjoy a fast-paced environment.

We have a great staff and a competitive benefits package, including a signing bonus and generous CE allowance. Salary to correspond with experience.
