Hope Advanced Veterinary Center  
1 Taft Court, Rockville, MD 20850

## Agenda and Event Description

6:30-7:15 – Dinner and Introduction

7:20-7:40 – Neuro Exam Round 1

7:40-8:00 – Neuro Exam Round 2

8:00-8:20 – Neuro Exam Round 3

8:20-8:40 – Neuro Exam Round 4

8:40-9:00 – Q&A and wrap up

9:00-9:30 – Neurologists available for case questions and questions about tonight's session

Participants will be divided into small groups. Each group will rotate promptly every 20 minutes to the next station (we will keep time and announce when to rotate). In an effort to stay on time, we ask that you please write down any questions on the pads provided and ask them when we convene for a question and answer session from 8:40 -9:00. After 9:00 PM, the neurologists will still be available for questions but this is when the event officially ends. Following the event we welcome emails with further questions or cases you would like to discuss.

A quiz will be emailed to you upon your registration and should be filled-out to the best of your ability ahead of time. The purpose of the quiz is to focus your efforts during each 20 minute session and to generate some incentive for you to review the neurolocalization handout. Enter to win a \$100 gift card by submitting your completed quiz at the end of the night. Quizzes will be corrected and returned.
