

Registered Veterinary Technician – Rockville, Maryland

At Bush Veterinary Neurology Service, we acknowledge and value our Registered Veterinary Technicians. They are educated, skilled, credentialed individuals who are compassionate and care deeply for our patients. They play a significant role in the success of our organization and the health of our patients. As such, BVNS believes in recognition and fair compensation for our RVTs by providing:

- Higher than average wages
- **\$1,000 Sign-On Bonus**
- \$1,000 Annually toward Continuing Education costs
- Annual state licensure reimbursement
- Customized training plans to assist them in successfully meeting their career goals
- Support and guidance from board-certified technicians in Neurology and Anesthesia/Analgesia
- Access to our VTS Mentorship Program
- Eligibility for our **Support Staff Bonus Program**
- Leadership opportunities

BVNS Rockville is growing and expanding! If you are looking for a new and exciting work environment where your education and advanced skillset are appreciated and where you can continue growing in your career, BVNS may be right for you!

If you've never worked in specialty medicine before but have an interest in expanding your knowledge and increasing your skill set, that's great! Many of our most accomplished technicians did not have specialty experience prior to joining BVNS - we love training new team members and supporting anyone interested in growing their career!

Responsibilities and Duties

- Master neurological anatomy and function
- Positively impact patient care through collaboration with the Neurologist
- Perform high quality anesthetic induction, monitoring, and maintenance for surgeries and imaging
